## SMALL FIELDS MARK JAMESTOWN OPENING.

Horses Delayed en Route from Laurel-Bedwell Stable Scores a Double.

Norfolk, Va., November 2.—The delayed shipment of many of the stables coming from Laurel was responsible for small fields going to the post at the opening of the Jamestown Jockey Club's meeting today. Stirring contests were seen, however, all six of the winners being under hard drives through the homestretch. In three of the races the smallest of margins separated the first two horses and in the feature race the winner remained in doubt until the official placing was displayed. This purse went to Aldrian, which ran coupled with Bob R as the Beverwyck Stable entry. Aldrian was well backed and went to the post equal favorite with Aspirin. The latter ran a splendid race, making all of the pace and was beaten only in the closing stride. He was tiring at the finish, while Aldrian was coming fast and the deceptive angle led some to believe that Aspirin had won.

The attendance was large and the opening a brilliant one. It was by far the best that the club has enjoyed since its formation, and every indication points to the meeting being the most successful ever held in Norfolk. Local interest has been worked up to a high pitch by the management. The weather conditions were not of the best for outdoor sport. A cold wave struck Norfolk this morning and topcoats and wraps were a comfort rather than a burden. Under the circumstances the attendance was excellent and speculation was keen. Fourteen layers were in line and as four of the favorites were beaten, they had no cause for complaint.

Frank J. Bryan and F. W. Gerhardy were in the

Fourteen layers were in line and as four of the favorites were beaten, they had no cause for complaint.

Frank J. Bryan and F. W. Gerhardy were in the stewards' stand. Joseph A. Murphy, who was carded as one of the stewards, was not present, having left Laurel for his home in St. Louis. Report had it that he would be here on Monday next.

The Bedwell stable was in great form during the afternoon, despite the fact that the horses were unloaded from the cars at 12 o'clock, after a twenty-eight-hour trip from Laurel. It was only to obtige the management that Mr. Bedwell sent Nadzu and Richard Reed to the post in the second and fifth races. He did not profit much by the victory of the latter, as he lost his horse. The race was a selling affair and Richard Reed was entered at \$500. After his victory Sam Louis, who is gathering a stable to gether to race in Cuba, boosted him to \$1,000 and secured him at that figure. Mr. Bedwell was a little late in protecting the horse. He bid the necessary \$5, but it was just as the judge knocked the horse down to Mr. Louis.

During the afternoon many horses arrived from Laurel, and all of the stalls on the grounds are now well filled.

Jockey Byrne, who hurt a shoulder at Laurel, was forced to cancel his engagement on Nadzu after his finish on Aspirin. In his effort to win with Aspirin be again burt the injured shoulder and was in much pain when he dismounted. On is a sister to Pliant and the other is a coit by The Commoner—Sister Marie. Mr. Louis contemplates shipping thirty horses to Havana for the winter meeting at that point.

Jockey Byrne, who has been riding for John W. Schorr, during the past season, has decided to go to Juarez this winter and ride as a free lance. Charlie Smith and Clint Colby, of Chicago, who conducted a meeting at Almandares a few years ago, are sanguine that H. D. Erow will make a great success of racing in Cuba this winter and contemplate visiting Havana during the racing season there. They were among the layers that arrived from Laurel this morning and

## JUAREZ STAKES SOON TO CLOSE.

Owners and trainers planning a winter campaign cannot well fail to take a lively interest in the stake races to be decided in the course of the approaching meeting at Juarez. Ten events are now open for entries and will close Thursday, November B. A supplementary list of stakes for two-year-olds of 1912 will be announced next month. The events now offered are as liberal as racing conditions of the present time permit and should be freely patronized. Their conditions in detail are presented in the advertising department of this issue of Daily Racing Form. Entries are to be mailed to Edward Jasper, Secretary. Box 983, El Paso, Texas, and should be sent on at once.

### T. M. GREEN AGAIN A WINNER.

Takes Handicap at Latonia from Good Opposition-Cold Day at Kentucky Track.

Cincinnati, O., November 2.—A fairly large crowd braved the cold this afternoon to witness some excellent racing at Latonia. Under favorable weather conditions, today's racing would have ranked with the best seen here this season. Most of the finishes were close and aroused much enthusiasm.

Betting was brisk and the takings in the mutuels went over the \$50.000 mark. The majority of the spectators located the winners in fairly regular order, but the big operators suffered disappointment, most of the favorites being beaten.

T. M. Green again scored in the six-furlongs handleap over good opposition, which included Helmet, Grover Hinghes, Bettie Sue, Prince Gal and Carlton G. The last-named pair were the disappointments of the race. Prince Gal might have been more of a factor but for his persistent attempts to run close to the inner rail, which brought him much interference in the stretch. T. M. Green stood a hard drive at the end to outlast the fast finishing Helmet.

E. R. Bradley's Brig, an outsider, accounted for the opening purse, in which the limit number of starters went to the post. She led for nearly all the way. R. F. Carman's Compton, under E. Dugan's able handling, won the second race from John Furlong, George Odom took hig first purse in over five weeks when Tourist just lasted to win the third race. The western millionaire. E. Gaylord, also came into the limelight by winning his initial purse of the meeting with Woodwinder in the fiftace. The closing dash went to the consistent Haze Burke in a drive with Fairy Story and Turret. General Manager Hachmeister before the racing this afternoon entertained the turf reporters and judges Price and Dillon at an elaborate luncheon in the clubhouse.

Starter Cassidy emphatically denied today the published reports of his intention to retire as a starter. He will serve on the Kentucky tracks again.

this afternoon entertained the turf reporters and judges Price and Dillon at an elaborate luncheon in the clubbouse.

Starter Cassidy emphatically denied today the published reports of his intention to retire as a starter. He will serve on the Kentucky tracks again next season. His work at all the courses this fall has been well nigh perfect.

Today's arrivals from Laurel, Md., included Thomas C. McDowell, who served as presiding judge at the Maryland course and who will fill a similar position at the Havana track the coming winter. Mr. McDowell spoke enthusiastically of the Laurel meeting and predicts a great future for racing at that point. He is also enthusiastic on Havana prospects and will ship his best horses to race there.

W. W. Lyles arrived today from Laurel and will remain throughout the meeting to give horsenen pointers relative to Havana racing. He announced that there will be 104 days of racing in the Cuban capital, beginning December 14. There will be twenty-eight stakes, ranging in value from \$1,000 to \$5,000, and the overnight purses will also be liberal. Another provision that has been made for the horsemen's benefit is that most of the feed stuff to be used by them will be imported from Canada under an arrangement which will insure that the cost will not be in excess of the price in the United States. Mr. Lyles has already booked twelve cars of horses to go by special train to New Orleans, thence by chartered steamer to Havana. It is intended to stay about two days at New Orleans to break the journey and the horses will be quartered at the Fair Grounds. Work on the Almendares track is going along swiftly and already stable accommodations for 300 horses are available. The stake blanks and the first week's program book will be distributed to horsemen here on Monday or Tuesday. H. D. Brown, according to Mr. Lyles, will have the transportation facilities to the track greatly increased. The trip to the course from the central part of Havana will not consume more than twelve minutes.

Judge Price s

minutes.

Judge Price suspended jockey Ganz for five days for rough riding in the fifth race.

A petition was circulated among the horsemen this morning and secured many signatures. It is addressed to the directors of the Charleston Fair and Racing Association, thanking them for furnishing a place for racing in America the coming winter and suggesting that Harry Morrisey be considered for appointment as starter.

The two-horse combination today paid \$35.00 for \$2. The two-horse combination went to the field backers.

## JUAREZ BETTING CONCESSION RATIFIED.

El Paso, Texas, November 2.—There will be no question about betting at the Juarez race track continuing as long as the promoters wish. The Chihuahua Legislature has passed a statute legalizing the race track betting and keno gambling and annuling all other forms of gambling concessions. The reason given was that the race track and keno gambling concessions were granted by the Federal authorities, and that the state government cannot revoke them.

Mexico City, Mex.. November 2.—Col. M. J. Winn has given out a statement here to the effect that Governor Gonzales of Chihuahna must have been misquoted in the press dispatches sent out from El Paso regarding the cancellation of betting privileges at the Juarez track. The Jockey Club of Juarez was formally granted a concession, the terms of which cover the betting point, for a period of twenty years, and the governor of Chihuahna has no power to set aside any concession which has been granted by the congress of the republic.

Colonel Winn says that the horsemen in the United States need not feel at all uneasy, and declares that racing will be conducted at Juarez as heretofore, with betting, for a period of one hundred days, with the possibility of an extension.

## ARRANGEMENTS FOR CUBAN SHIPMENTS.

Norfolk, Va., November 2.—Special arrangements have been made by H. D. Brown for the shipment of horses and horsemen from this country to Cuba for the winter meeting beginning December 14. Those racing here will ship direct from this port by steamer. The rates for the stable help will be \$13 years are the per man, while for cabin passengers it will be not more than \$20. The boat that has been arranged for carry two hundred horses on each trip. One boat will leave Norfolk November 23, and a second one on December 2.

Several stables of horses that were recently sessionally the for several seasons,

Included in the lot that shipped were the horses of Gallaher Bros., who have nineteen yearlings. J. W. Schorr was another to ship away. He will likely race a number of his horses at Havana and included in the lot will be a number of yearlings. J. L. Holland will be another who will have a big string of youngsters. Mr. Hildreth said to a reporter just before his departure: "In going abroad, I am not going to give up my rights as an American citizen, but there is little use of my staying here now. The reason that I sold my horses to Mr. Kohler is that I had a good offer for them and did not see any immediate chance of racing being resumed in New York state. Mr. Kohler will race his horses in England next year, and in all probability I will be there for about a year. Just as soon as I hear of a better outlook for racing in this country I will come back."

## BIG OFFER FOR ROUND THE WORLD.

Mexico City, Mex., November 2.—John A. Drake has arrived here from New York. Mr. Drake at once visited the Condesa track of the Mexican Jockey Club and declares it to be one of the best constructed and most beautiful courses he has ever seen. This opinion, coming from Mr. Drake, is flattering, as he has in his career visited every track in the world of any consequence and was at one time the owner of a powerful racing stable in the United States.

## NOTES OF THE TURF.

P. S. P. Randolph has bought the filly Anna L. Daley.

W. K. Vanderbilt has sailed from Europe for New York, well satisfied with the season's showing of his stable on the French turf. Charles Lansdale, who is financially interested with H. D. Brown in the Havana racing venture, is a retired tobacco merchant of Cincinnati.

The partnership between W. C. Weaver and trainer W. J. Spiers has been dissolved, and J. B. Respess is now training the fast filly, Lady Light ning.

August Belmont's horses, with the exception of a couple of two-year-olds, are lame and John Whalen will ship them from Pimlico to Babylon, L. I., to winter.

Bookmaker W. R. Engstrom is credited with a profit of \$12,000 at Coeur d'Alene, of which \$5,000 is said to have been won from Charles W. Clark of California, a son of former senator Clark of Mon

Besides the sixty workmen that went to Cuba with track superintendent Wilson, H. D. Brown will take with him when he sails for Havana today his Laurel office staff of fourteen and fourteen gatemen and minor officials.

men and minor officials.

It is interesting to note how racing flourishes in France. If the enemies of the sport carry on their campaign with any approach to success—which is scarcely to be anticipated—because, after all, there is a certain amount of common sense left in England—it would be a wonderfully fine thing for the French turf. English racegoers in swarms would become French race goers, and take their horses with them, those who had any. In France the value of the thoroughbred as an animal whose blood is utilizable for lower grades in the horse world is well understood, as likewise the advantage of providing entertainment of a healthful sort in the open air for several millions of people.—London Referee.

## ANSWERS TO QUERIES

John I., Chicago. Of course it won. L. S., Niles, Mich. It was void as to Moisant and won on the others.

E. R., Cleveland, O. From the nature of the case there is nothing on which to base an opinion. The facts are simple and those concerned must decide the affair.

## WINTRY CONDITIONS AT MARLBORO.

Washington, D. C., November 2.—Although it was quite cold at Marlboro this afternoon, a good-sized crowd visited the track. An ordinary lot of horses took part in all the races, but there were several close finishes. Three favorites and a second choice were returned winners. The best field of the day went to the post in the third race, which was easily won by Grandissimo, after heading all the way. Jockey Fairbrother piloted two winners.

## PARI-MUTUELS FOR COEUR D'ALENE.

From Spokane comes the information that it is practically assured that there will be a spring meeting of thirty days' duration, beginning about May 20, at the new course of the Cocur d'Alene Fair and Racing Association. It is also given out as probable that the pari-mutuel form of betting will displace the bookmaker in future meetings at this track.

**>>>>>>>>>** 

This was Collyer's opening day special at Jamestown. I told you the same lads who assisted me at Laurel would be on the ground here, also I advise you that the bookmakers are "on." One word to the wise, etc. My Latonia wire lost.

SPECIAL.—It is with considerable pride that I print herewith a testimonial, which is self explanatory. The author I might add is a business man. The publisher of this paper, with whom I file my selections—THE NIGHT BEFORE—has perused the original before printing this advertisement, Here it is: it is:

Mr. Bert E. Collyer,
Chicago, Ill.
Dear Sir—Enclosed please find your
fee for Jamestown meeting. I
wish to say that I have been more
than pleased with your service at
both Laurel and Latonia, and have
been agreeably surprised, as my experience with race horse tipsters has
not been very profitable and not always on the level. With you everything has been conducted differently.
Things have been on the up and up
and by mailing them out the way
you do, it shows the general public
that you have some source of information other than the form sheet and
your own judgment. Kindly continue my subscription and anything
I can do for you will be done, or if
I can be of service, you are at
liberty to call on me. Do you intend
to cover the Juarez meeting this
winter? Wishing you continued success I am Respectfully

I have had many kind expressions since embarking for myself, and while business pressure forbids answering each and every one, I hasten to assure one and all that they are DULY APPRECIATED. I might add for the benefit of skepties and others that if my methods of doing business were not entirely proper, my advertisement from time to time would not be accepted by this paper. The LATTER CENSORSHIP IS APPRECIATED BY ME, AND SHOULD BE BY ALL WHO WANT TO BE FAIR AND SQUARE.
